Good afternoon Scott,

I hope all is well!

The reason for my email is that Mercury has memo us asking if you can please contact the Claims Adjuster Emmanuel Dinglas at 800-[REDACTED] ext [REDACTED]

He also needs to take a statement from Joe McKnight. Please ask Joe to call the Claims Adjuster as well. They need a statement from Joe as well.

In addition, Mercury would like to know the following:

- Need to know the garaging address for the 2004 Chevrolet Monte Carlo
- Mercury will be removing the Multi Car discount on the 04 Chevrolet as they have been informed that this vehicle is garaged elsewhere (they just need to know where)
- If the vehicle is under Joe's possession which Mercury seems to think it is, it's best if Joe has his own policy. I can provide him with a quote. I'll just need additional information from Joe.
- Last but not least, they would like to know who Joe McKnight is.

Sincerely,

Cesar Calderon, CISR

Neil,

I hope things are going great with you. I have been involved in so many ventures and new projects but I am eyeing the college football season and anticipating my Huskies at 0-8 traveling to meet the mighty Cardinal in a packed Stanford stadium on November 3, 2007. I will be the one with the purple “Bag” on my head.

I hope you like your cards and there is nothing yet on the www.NeilPapiano.com site but I will give you the domain name if you want someone to put something on it and you can get it back from the “scum” that obtained it.

As far as the www.stanfordindians.com I might offer it to the highest bidder on the Cal Berkeley student newspaper just to see the interest.

I own numerous strategic and clever sites that I hope to prosper from with content and businesses. Just wait and see what I put on my USCModels.com, USCMarketing.com, USCMedia.com, UCLAREalEstate.com, CaltechBeavers.com, etc. I am hiring “kids” from the various schools to put some content on them or offering them to competing rivals. You know USC stands for Under Scott’s Control, no that’s USC Sorority.com.

My “animated” lights project is still going on. I have a potential deal with Clear Channel to have El advertising on all the taxis in Vegas but a “bigger” project might be in the City of Huntington Park (the mayor actually works in the Assessor’s office) and making the (Hispanic shopping capital of the US) the new Vegas or Sunset Boulevard in terms of Lights.

I will have a “Van” for Stanford for the football season that will showcase these lights and the proud “Tree”. You can have full access to it during football season (the installers are putting the final touches to it now). I am just finishing a USC Basketball Bus (notice basketball) because I have direct access to a couple of the players (nothing on paper). I just finished talking with the compliance department because I am going to put gigantic posters of O.J. Mayo (the new LeBron) and Davon Jefferson on vinyl wrapped on the bus. Also, I would showcase these Lights...USC said no it was against NCAA rules. What are they going to do put them on probation? Good! I offered my Husky Van to Tyrone Willingham and he sent me a letter back declining (Neuheisel would have accepted in a second). No wonder we are 0-8. USC (not under Scott’s Control) said that you couldn’t put pictures of any player on my bus. What are they going to do to me? Will the NCAA fine me (yeah right)? Oregon has billboards in Times Square of current players. They have trading cards of O.J. Mayo in high school. I am going to do this. They or the NCAA have no authority over me. I can put what I want on my bus. How come a magazine can put them on a cover but I can’t put a picture on a bus? Maybe I will put pictures of them from high school (OJ Mayo played for the Trojans) or I will put OJ on one side and a MAYO ad on the other (hmm, I think I will sell that). Maybe I will advertise the Mayo Clinic! Just think of the publicity or Probation USC, not a bad choice. I will need an attorney! USC sucks!

They better not mess with me because the www.SCBooty.com (USC quarterback Booty) site I own is now taking pictures of Sin City Booty (I am hiring a UNLV student to get all the rear end bikini pictures he can get from Vegas) and all these postcards will be everywhere (maybe this is a better wrapping of a van).

You are probably thinking right now of my evil mind and that Stanford Indians site! Remember, you beat us last year....

Keep in touch and I hope everything is fantastic!

I will get you pictures in the next few weeks of the Stanford Van and USC Bus!

Take care,

Scott Schenter
